

Easy to Install Dead Level Superior Load Bearing Capability Designed to Meet Exacting Standards for Cleanrooms

Our suspension hardware provides easy adjustment requiring one-half the turnbuckles that other systems use and the ceiling can be installed dead level. Another advantage over non-structural T-Bar is that our 2" HD T-Bar doesn't twist, resulting in less time to install.

Gasket Style T-Bar extruded from 6063 aluminum featuring a clear anodized satin finish, maximum corrosion resistance, structural integrity and a state-of-the-art ceiling from inside.

- Anodized Aluminum In Stock
- White Powder Coat Finish Available

Gasket Style T-Grid Parts for 2" T-bar								
Part No.	Description	Nominal	Actual	Web Depth	Flange Width	Weight Per LF	Pieces Per Carton	Linear Feet Per Carton
